Depth = 28 cm (11.0")

Description

A superbly made large Victorian solid copper country house hot water can in immaculate condition c.1880. The solid copper can with slightly tapering sides plus rim to the base for stability; keyed seem to the rear. Substantial swing handle to the top with heart design cast fittings, angled handle to the side and pouring spout opposite. Covered surface to the top to avoid spillage and hole for filling. Heavy quality and presented in immaculate condition with a rich polish. Keep up to date via Instagram - sturmansantiques. Measures 11" diameter at the base x 12" wide including handle x 12" high including handle or 8.5" high to the surface. Postage and packing cost (tracked and insured) for this item is £27.00 for mainland UK. Please contact us for delivery abroad.
