Description

This is a beautiful Aesthetic 19th century antique leather screen in super condition dating from around 1890. The four fold screen has a lovely rich green ground with a fabulous design of scrolling foliage, birds and flowers embossed and beautifully gilded. This is a great size at 2 mtrs in height and 180 cms wide so has good impact in any setting and is in really excellent condition to all the embossed leather panels. Circa 1890 Aesthetic Period. UK delivery can be arranged with our trusted furniture courier and costs £70 plus vat to most destinations. (The rare Shoolbred Aesthetic bamboo chair here, from the same period is also currently available in our current stock)
