Description

This superb large Austrian majolica pottery wall charger is highly decorative with its central, finely moulded three dimensional Renaissance portrait of a medieval bearded nobleman wearing an ornate tunic and matching hat. The central portrait is bordered by a flared rim which is also ornately moulded with intricate floral decoration. The beautiful coloured glazes used throughout this stunning charger are rich and translucent. There are initials at the base of the portrait J R. On the reverse, the charger has an impressed L9 and a hand painted N u". The charger has two original holes in the back rim with a cord for hanging. This charger is in good original condition with no restoration. Austrian, circa 1900 Height 34.5cm x width 34.5cm x depth 3.5cm
