Description

A beautiful solid silver Indian cigar case / box. It is unmarked but tests as high grade silver. I would date it to c1880-1900 most likely made in the Kashmir region. It has been beautifully hand made being embossed and chased and is in superb condition being free from dings splits holes and repairs, it closes tightly and the inside is clean. It measures approx. 4.5 inches (11.5cm) long by 2.75 inch (6.6cm) wide by 0.5 inches and weighs 115 grams. A superbly designed beautiful example.
