Description

A superb solid silver napkin ring. It is unmarked but tests as high grade silver. I would date it to c1920. It has been superbly made being finely hand engraved with flowers and birds and is in super condition being free from dings splits distortions and repairs. It measures approx. 2 inches (5cm) across by 1.75 inches (3.8cms) tall and weighs 41 grams. A very nice quality piece.
