Description

An antique 20th century mahogany sideboard of good quality and excellent craftsmanship. Very well made and solidly constructed, the sideboard features two drawers to the front, with two cupboards below—one containing a shelf to the left-hand side and the other an open compartment to the right—offering versatile and practical storage. A raised gallery to the top adds character, while the piece stands on elegant cabriole legs with claw and ball feet, combining style and stability. Crafted from mahogany, it displays beautiful grain, rich colour, and stunning figuring throughout. Retaining all original brass handles and fittings, and presented in good condition, this sideboard is both desirable and highly decorative, making it a perfect addition to any home.
