Description

Title: 19th Century Continental Carved Armchair Item Code: S27-799A Description: A highly decorative 19th century Continental armchair, richly carved throughout and retaining its original upholstered form. The chair features an impressive high, shaped back with sweeping wings, centred by a deeply carved crest rail adorned with scrolling foliate detail and oval reserves. The outscrolled arms terminate in bold carved volutes and flow into the shaped seat rail, which is further enriched with carved ornament. Upholstered throughout in a pale blue patterned fabric, which shows signs of wear commensurate with age but remains serviceable, the generous seat and enveloping back offer both comfort and strong visual impact. The chair stands on elegantly shaped cabriole legs, completing this striking and well-proportioned piece. An ideal statement chair for a drawing room, hall or bedroom setting. Key Features: * 19th century Continental armchair * Finely carved frame with foliate and scroll decoration * High-backed form with shaped wings * Outscrolled carved arms * Upholstered throughout in patterned fabric, worn but usable * Cabriole legs with carved detailing Dimensions: * Width: ...
