Description

Size: 4ft 3in x 4ft 1in (130 x 125cm). Antique Indian silk embroidery on a green velvet ground. Circa 1900. This fine embroidery originates from Delhi, India. The embroidery is in silk and is of the traditional floral boteh design. The embroidery is stitched onto a later green velvet corduroy ground. The shape of the ground and the braiding attached at the lower end suggest that this may have been used as a horse cover or made to look like one. The condition is excellent with very slight wear, the stitching holding the embroidery to the ground is loose / missing in places, this is reflected in the price. This embroidery would make a good wall hanging or could be used as a cover. Stock Number: S-02.

Internal Ref: S-02
