Dimensions

Height = 17.5 cm (6.9")

Width = 22.8 cm (9.0")

Depth = 12.8 cm (5.0")

Description

A handsome Grand Tour bronze depicting the Lion Of Saint Mark upon Rossa Francia marble base, c.1880. The bronze is crisply cast, of generous proportions and mounted upon an unusual and striking marble base. There is very slight movement to the bronze on its base if wiggled, likely due to the slight raise from the plinth to the back right paw (please see photographs). Overall the bronze is in a very good sound condition throughout.
