Dimensions

Height = 30 cm (11.8")

Width = 25 cm (9.8")

Depth = 5 cm (2.0")

Description

An almost unreal Edwardian engagement ring. To find a diamond as white as this is rare, but to find an old cut as white as this is frankly incredible. This utterly glowing old cut diamond (graded by GIA as D colour, VS2 clarity) is secured by four double claws at each corner, and sits atop a slim, 18k yellow gold shank set with eight (four each side) eight-cut diamonds in the shoulders. Accompanied by a GIA Natural Diamond Grading Report. Cut: Old mine cut (eight-cuts in the shoulders). Colour: D (E to F in the shoulders). Clarity: VS2 in the centre (VS1 to VS2 in the shoulders). Carat: 0.81 in the centre, with a further approximate 0.08 carat total in the shoulders. Circa: 1910. Size: L 1/2 (UK) or 5 7/8 (US). Free sizing available. Measurements: The diamond is 5.70 x 5.28mm. Sits 5.1mm from the finger. Weight: 2.14 grams. Metal: 18k gold. Tested with a Niton DXL Precious Metal Analyzer.
