Description

This chest of drawers is in good condition. We have professionally stripped and restored it and then waxed it in a lovely antique brown bri wax giving it a stunning patina. This chest of drawers would look well in a victorian terraced house amongst similar antique pine furniture. We normally only deliver into a hallway but would help carry this upstairs to take a picture for our instagram page as it will look stunning. This will sell very quickly. If you are looking to furnish a bedroom please view our other items we have many wardrobes and bedside cabinets. This chest stands on a square plinth that is scrolled to the front supporting the main section. There are two small drawers over four larger drawers. The drawers have round turned wooden knobs, dovetail joints and are pine lined. The top is in good condition with a bull nosed edge. The corners are rounded. The height is 120cm, the width is 70cm and the depth is 51cm.
