## Description

This chest of drawers is in good condition. We have professionally stripped and restored it and then waxed it in a lovely antique brown bri wax giving it a stunning patina. This chest of drawers would look well in a bedroom amongst similar antique pine furniture. It would look great by the side of a chimney breast in a victorian house. If you are looking to furnish a bedroom please view our other items we have many wardrobes and bedside cabinets. This chest stands on a square plinth supporting the main section. There are two small drawers over three larger drawers. The drawers have round turned wooden knobs, dovetail joints and are pine lined. The top is in good condition with a bull nosed edge. The corners are rounded. The height is 108cm, the width is 90cm and the depth is 54cm.
