Description

The bedside cabinet is in good condition. We have professionally stripped and restored it ready to paint or wax. We can wax this in a lovely antique brown bri wax giving it a stunning patina. Please contact us for this service. The bedside cabinet would look well either side of a double bed or in between two single beds in a bedroom amongst similar pine furniture. The bedside cabinet stands on square back legs and round turned front bun feet supporting the main section. There is one large door with one panel with a wooden knob. Behind the door there is a shelf for storage. Above the door is one drawer. The drawer has a wooden knob, dovetail joints and is pine lined. The top is in good condition with rounded edges. The sides are panelled. The height is 79cm, the width is 50cm and the depth is 35cm.
