Description

This is a very attractive, truly original mid 19th century solid pine tavern table. The table sits solidly on its X frame base, the top is thick pine planks with beautiful waney edges. The overall condition is very good with minor age related marks consistent with age and use. The colour is also fabulous, rich honey which I think is better than your normal pale pine. The table does dismantle for access. Ideal neat dining table that would sit 8-10 comfortably. Height 75cm Length 245cm Depth 77cm
