## Description

Collection of Antique Architectural Ironmongery A large mixed collection of antique architectural ironmongery, comprising a quantity of decorative cast iron stair carpet clips with fleur-de-lys terminals, together with several heavy strap hinges of similar pattern. The lot also includes a variety of period bolts, stays, latches and catches, a group of metal drawer handles, and associated screws and small fittings. All items shown in the photographs are included. All pieces show wear, patination and surface oxidation consistent with age and use. Some fittings and screws may be incomplete or mismatched. Sold as a mixed lot.
