## Description

A fantastic and unique vintage bracelet of eight silver panels, each one bearing a tiny detailed handpainted miniature in guilloché enamel. The bracelet has a light gilding on the back and has a safety chain as well as a springing clasp for additional security. SIZE: Approximately 7.25 inches (18.5cm) long, the plaques measure 1.8 x 1.3cm. WEIGHT: 16.3g. MATERIALS: 935 silver, enamel. HALLMARKS/STAMPS: Stamped "935" - a silver fineness higher than sterling silver (925). We most often see 935 on pieces from Germany, Austria and Switzerland c.1920s-40s. CONDITION: There is some wear and tear to the blue edges of the enamel (see photos) close to the connector rings but otherwise the bracelet is in very good vintage condition, ready to be worn. ERA: Estimated 1930s.
