Description

A handsome early 20th century occasional table with a warm mahogany tone, an oval top and a practical lower tier shelf. The elegant tapered legs give it a light, refined look, while the original castors make it easy to move around the room ideal as a lamp table, side table, or for serving drinks in a sitting room. The top shows a lovely, subtle grain and has a gently moulded edge. The lower tier is perfect for books or magazines, and the frame feels solid and stable overall. Very good vintage condition with age related wear and surface marks as shown in the photos including scuffs rubbing to the legs and general patina. Original castors present.
