Description

Attractive antique pine pedestal desk of compact proportions, offering a useful combination of drawers and cupboard storage. The desk features three top drawers over a central kneehole, flanked by cupboards to each side, all standing on turned bun feet. The pine has a lovely warm colour with visible grain, knots and surface wear that only comes with age. Original style wooden drawer knobs are present, along with decorative metal cupboard handles. The interior cupboards retain a simple fitted shelf, making them practical for storage. A very usable size, ideal for a home office, study, bedroom or as a characterful writing table. Solid, honest furniture. Condition Solid and structurally sound throughout. Drawers open and close well. Cupboard doors open and shut correctly. Only one drawer locks. Surface wear, knocks, scratches and marks throughout, consistent with age and use. Some old marks and historic staining internally, as shown. Overall a genuine antique desk with good colour and plenty of character.
