Description

This is a very attractive Regency revival wall mirror with a most appealing design dating from the late 19th century circa 1895. The polished brass frame has a lovely soft golden glow with a very nice antique appearance and the bold design to the ornate crest gives this a great look. The mirror plate itself is in good quality bevelled glass and is in immaculate condition. This is a fine size for an overmantel mirror or would be eminently suitable for a hall or alcove setting. The mirror measures 90 cms high by 68 cms wide overall. UK delivery can be arranged with our local courier and costs £25 plus vat to most areas.
