Description

Pair of Gilt Bronze Three-Light Candelabra / Candlesticks. An elegant Pair of French Gilt Bronze Candelabra, each fitted with three candle sconces, finely cast and richly gilded. The central baluster stems have three draping swag details and rise from circular stepped floral & bead bases with classical detailing supporting scrolling foliate arms terminating in cast candle nozzles and candle wax drip pans which are also decorated underneath. The Candelabra also benefit that they easily convert to use as single Candlesticks for use when needed for less light. The symmetrical arrangement and refined ornament reflect neoclassical taste
