Description

Beautiful Antique Unusual Wall Hanging Taxidermy Of A Gouldian Finch By Lewis Hutton Bristol 1877. This beautiful piece of taxidermy includes a gouldian finch stood on a small branch with a painted background and lovely foliage around the bird. The background is also painted with a lovely sky to complete the naturalistic look. It is then mounted in an unusual oval frame with a lovely domed glass. The background of the piece then has its original makers label for "Lewis Hutton Bristol" and is dated 1877. - 11.25" / 28.5cm Tall. - 9" / 23cm Wide. - 2" / 5cm Deep.
