Description

An exceptional, fine and impressive antique George V English cast sterling silver desk paperweight in the form of a knight chess piece; an addition to our ornamental office silverware collection. This exceptional antique George V cast sterling silver paperweight has been realistically modelled in the form of a knight chess piece. The body of the paperweight is embellished with details replicating the horse's stylised anatomical features and segmented mane. The horse's head knight piece surmounts a plain circular swept pedestal base. The weighted base bears green baize to the underside. This sterling silver horse head paperweight is a characterful desk object, celebrating equestrian heritage through finely modelled craftsmanship, and appealing to horse lovers and collectors of animal-themed silver. Condition This antique sterling silver chess ornament is a superior gauge of silver, superior quality and in exceptional condition. Full hallmarks struck to the surface of the base are all very clear. Reflections in photographs may detract from the true representation of this fine example of antique silverware.
