Description

An outstanding and large antique Georgian period mahogany console table, made in England and dating from around the 1790-1810 period. This is of beautiful quality and is a very useful size, with lots of useful storage space in the three drawers. This has a lovely breakfront shape to the front, it stands on finely tapered legs and has high quality brass handles. We have recently had this stripped and re-polished, the condition is excellent for its age with just some minor wear and historical patina remaining beneath the polish here and there. Width – 68 inches , 173 cm Depth – 21 inches , 53 cm Height – 36 inches , 92 cm
