Description

A superb antique dining table in the manner of Gillows of Lancaster circa 1830. From the Mahogany timbers to the cabinet making and fluted legs everything leans design everything suggests the attribution. The reeded edge to the top runs through to both leaves. Versatile in that it will reduce down to a round table for 4 and also looks fantastic as a pair of side tables. Due to sun fading the top has been re polished to match the base and now presents itself beautifully. All ready to use and enjoy. SKU-G28
