Description

A stunning ladies pocket watch with fancy gold foiled and enamel work on the watch face with black Roman numerals with a heart shaped cut out. The outer case is finely engraved with an empty cartouche on central of the back cover surrounded by scrolled engravings. The watch is 11 jewel set in 935 silver, both the back case, the dust cover and the bolt ring are marked with 935 and with Swiss silver marks and a makers mark JJ on the covers. The watch is key wound (comes with key) and dates from C1880's. The watch is in working order and keeps good time but like with any antique pocket watch regular services would be recommended.. The face of the watch measure 34mm in diameter and the full length with the bolt ring extended is 52mm, the watch weighs 34.7 grams. The watch is in excellent condition for its age, there are no dints in the casing and no cracks in the glass front. Please note there are so tidy black dots to the white enameled face which can be seen when the watch face is open, they cannot be seen when it is shut (please see all pictures) Metal: Swiss Silver 935 Jewel: 11 jewel movement

Measurements: 3.4cm in diameter and 5.2cm in length with bolt ring extended...
