Description

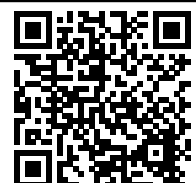

A Regency bow-front corner washstand of elegant proportions, designed to sit nearly into a corner. The shaped back rises above a bow-fronted top with circular apertures for a wash bowl and water jug, above a fitted lower shelf with central drawer, the drawers either side being dummy drawers. The piece is a rich mahogany colour with delicate inlay to the drawer fronts and original brass ring handles. The slender legs and shaped stretcher add to the refined appearance, typical of Regency furniture. Item Reference: M-6569 . Dimensions: Height – 112cm/ Width (across front legs)- 62m/ Depth - 49cm . **CONDITION REPORT:** In good antique condition, consistent with age and use. There is general surface wear and light marks throughout, including some minor wear to the top around the apertures. Minor scuffs to the legs and edges. The structure is sound and stable, with drawer running smoothly. A fine example.
