Description

Here's a large shelved antique pine cupboard with a particularly interesting removable crown piece. It features two arched panelled doors, a single drawer at the base, and lots of attractive period detailing throughout. The cupboard stands on bun feet at the front with square block feet at the back, which is typical of furniture from this period. The lower drawer is fitted with distinctive wooden drop-style knobs. Inside, there are three full-depth shelves and a half-depth shelf at the top. All shelves rest on adjustable supports, so they can be moved, removed, or reconfigured to suit your needs. With an internal depth of 15", it isn't deep enough for hanging adult clothing, though it could work for children's clothes if a rail were fitted. Please note that this piece does not dismantle for delivery, so access should be checked carefully if it needs to go upstairs. The crown piece can be removed if you prefer a simpler, cleaner look, which also reduces the overall height. Available for £740 as it is, or £847 if you'd like it waxed. Dimensions: height 81" with crown (70.5" without), width 45.5", depth 20", internal depth 15" (approximately 206 cm / 179 cm x 116 cm x 51 cm).
