Description

This wardrobe is in good condition. We have professionally stripped and restored it and then waxed it in a lovely antique brown bri wax giving it a stunning patina. The wardrobe would look well in an old or modern property in any bedroom for storage purposes amongst similar antique pine furniture. This does knockdown into four pieces. These parts consist of the base, the middle section, the door and the cornice. The middle section is quite large so your staircase needs to be straight with no turns. The wardrobe stands on a square plinth supporting the main section. There are two large drawers. Each drawer has a round turned wooden knob, dovetail joints and is pine lined. The middle section sits neatly upon the base having two tall thin panels either side of one large door. The door has one panel with a moulding around the edge and is arched. The top has a standard graduated rounded cornice. Behind the door there is a pole for storage. The height is 212cm, the width is 131cm and the depth is 58cm. The internal depth is 46.5cm.
