Description

These bedside cabinets are in good condition. We have professionally stripped and restored them and then waxed them in a lovely antique brown bri wax giving them a stunning patina. The bedside cabinets would look well either side of a double bed in a large bedroom amongst similar antique pine furniture. The bedside cabinets stand on a rounded plinth supporting the main section. There are four large drawers. The drawers are graduated in size and their original round turned wooden knobs which is a nice feature. They also have dovetail joints and are hard wood lined. The tops are in good condition with a rounded edge. The height is 77cm, the width is 42cm and the depth is 42cm.
