Description

This cupboard is in good condition. We have professionally stripped and restored it and then waxed it in a lovely antique brown bri wax giving it a stunning patina. The cupboard would look well in an old or modern property in an unfitted kitchen for storage of kitchen items. It would look great in a small kitchen. It would look great in a small kitchen as it is quite shallow. This is in one piece and extremely heavy and I will require a hand off the van with it into your hallway. Please make sure the pathway to your house is clear to get it into your property. The cupboard stands on a square plinth supporting the main section. There are two large doors. The doors have three panels. The panels have a lovely cedar grain which is a nice feature. There is a brass knob and we have fitted a new lock and key to the door. Behind there are shelves for storage. The top has a standard graduated cornice. The height is 200cm, the width is 126cm and the depth is 37cm.
