Description

This vintage leather armchair embodies the quiet luxury of age and craftsmanship. Upholstered in warm tan hide with a beautifully distressed finish it showcases the natural patina and creasing that only time bestows. The classic silhouette features gently rolled arms, a deep cushioned seat and a subtly angled backrest for relaxed comfort. Short turned wooden legs anchor the piece with understated elegance, while the overall proportions lend themselves equally to a gentleman's study, a rustic reading nook or a curated film set. The leather's mellow tones and tactile surface speak of stories lived and spaced well-loved. A characterful addition for collectors, stylists, or anyone seeking authentic vintage charm.
