

SA1191351

Early 20th Century Czech bracelet

Price

Sold

Item Reference: SA1191351

Date of manufacture: 1920

Description

A really super example of an early 20th century Czech bracelet set with cabochon glass stones. I think this may be by the Neiger Bros. The setting of the stones is so good. Marked inside Czechoslovakia. Some slight wear to the gold finish inside the bracelet. H 3.5 W 6.5 D 6 cm
