Description

A lovely matching pair of tub chairs dating from the early 20th century. They are a nice shape with an exposed mahogany frame with carved supports and pretty floral decoration on the arms. They stand on turned front legs with ceramic castors below. The chairs are upholstered in a good quality green fabric with contrasting piping and a buttoned back. The chairs are in good condition and have been well looked after. They are strong and sturdy with no major damages and they are very comfortable. There are some general marks and small knocks around the legs and frames but nothing detrimental. The upholstery is not new and is showing a few signs of wear but no major damages and they still display well.
