Description

Circa 1920-40 a beautifully made, solid brass cross with four lapis inserts in the middle. It measures 40cm in length and 34cm wide, and it weighs 1.3kgs. The brass back has been left unpolished, and the rest was professionally polished but not lacquered. There are small signs of wear on the left hand side pieces of the lapis insert, but all are original and secure in their setting. See Photo 3. The quality and thickness of the cross can be seen in photo 2.
