Description

A lovely mahogany chest of drawers dating from the early 19th Century. They are a good large size with an attractive bow front and they stand on bracket feet. The oak lined drawers have brass lions head handles. It is in very good condition for its age with a nice colour and patina. The drawers open smoothly and are generally clean and tidy inside. There are some signs of age and use, some minor old marks and knocks and a couple of small repairs but nothing untoward or detrimental. It has been cleaned and gently polished and is ready for use.
