Description

A good example of a small four division Sterling Silver toast rack. It is a stylish good quality piece, weighing approximately 58g. It is clearly hallmarked for London, 1933 and the maker W.B & Son Ltd. It is in good condition for its age. There are some faint surface marks and a few minor dinks but nothing detrimental and it displays well. It has been gently cleaned and polished is ready for use. The best description comes from the photos so please look at them all carefully and if you have any questions just ask. Tracked UK Delivery £7 Rest of the world £25
