Description

This is a fabulous example of a vintage mens watch made by the premium Swiss make Omega. This is the Solid 18ct gold Seamaster Deville Crosshair with fully automatic 24 jewel calibre 552 movement. Model reference number 14765 this was the very first Seamaster Deville model and they were only marked Seamaster on the dial. The Seamaster logo on the back of the case is bright and crisp. It is fully marked Omega on the dial, movement and case as you would expect. The watch has the rare linen textured dial that shimmers as it catches the light, it is totally original and had no restoration. Its like new. The case has been ultrasonically cleaned and polished so it is absolutely pristine. The serial number of the movement indicates a manufacture of 1961. The watch case measures 35mm in diameter not including the crown. Omega are one of the most exclusive watchmakers in the world and this watch certainly has that understated elegance that whispers class. Overall this watch is in outstanding condition and highly sought after by Omega collectors, the best example we have seen for a long time. We can fit almost any colour or style of strap you prefer we keep most t...
