Description

This original Art Deco sapphire and diamond ring is a beautiful expression of the period's love of symmetry, sleek lines, and considered design. At its centre sits a vivid round mixed-cut sapphire of approximately 0.40 carats, displaying a saturated royal-blue hue with impressive depth. There is a small surface crack at the edge of the sapphire. This is common in natural sapphires due to their Mohs hardness of 9, and it does not affect the stone's overall beauty or wearability. The Sapphire is framed by two bright old European-cut diamonds, totalling approximately 0.30 carats, each nestled into platinum bezels. The cool brilliance of the diamonds contrasts beautifully with the inky blue sapphire, while the 18ct yellow gold band adds a soft, buttery warmth. An exceptional piece of Art Deco history. This ring comes with a Milly's Marvels gift box. All other boxes are for display purpose only. RING SIZE - US 6 1/4 UK N SAPPHIRE - Round mixed cut, approx. 0.40 carats.
