Rare Bridgewater tavern jug

Price

GBP 760

| USD \$1,036 | EUR 887

Item Reference: SA1191862

Date of manufacture: 19th Century

Dimensions

Height = 28 cm (11.0")

Description

A large scale Tavern jug with a most attractive orange\brown treacle glaze, decorated with the London coat of arms, figures, grape vines, hops and crowns. To the front is a handle with decorative swags and a Patent mark. There is some frittling and rubbing to the applied decoration. A wonderful and scarce piece, I have seen small versions of these wares but never in this large size English, West Country, probably Bridgewater. 19th century

Internal Ref: mm98
