Description

A beautifully proportioned Edwardian mahogany bow-front chest, offered in excellent condition and complete with a working key. The six graduated drawers run smoothly, are of dovetail construction, and retain their original brass round pulls and individual keyholes. It stands on shaped bracket feet, lending the piece a characteristic touch of Edwardian grace. The mahogany has developed a warm, mellow patina with attractive grain throughout. As with all antique furniture, minor imperfections are present, but this remains a solid, well-made chest of drawers, a classic and versatile piece that sits comfortably in both traditional and contemporary interiors.
