Sold**Item Reference: SA1191891****Date of manufacture: Georgian**

Description

An early 1800s paint decorated whitewood Tunbridge Ware beehive pin poppet and storage box of large size. The skep is realistically painted in imitation of rope and unscrews to reveal a pale pink velvet pin cushion. The circular box base unscrews from the main body and sewing accessories like pins and needles could be stored here. It stands on three compressed bun feet. There is an old green label on the base. It measures 5.3cm w x 8.5cm h. For postage costs outside of the UK please contact us.
