Description

WE ARE SORRY THIS WATCH IS NOW SOLD. TO SEE OUR LATEST FULLY RESTORED WATCHES PLEASE VISIT OUR MAIN WEBSITE WWW.FOWEYRIVER.COM Fully serviced with a 12 month warranty. This is an exceptional example of a gents watch made by the premier swiss maker Omega. The watch case is of polished stainless steel and very slim measuring only 6mm deep, this is the slimmest movement ever made by Omega for a mechanical movement. The 17 jewel 620 calibre movement is an absolute gem and is regarded as one of the finest movements ever made during the golden age of Swiss watch making. This is certainly the type of movement that will last for 200 years just like a fine antique pocket watch. The dial is completely original and in mint condition as is the glass, it certainly looks as though it was rarely worn. The case measures 32mm diameter without the winding crown. This is a rare and desirable watch which is very sought after by collectors. The watch comes with a brand new presentation box to keep it in perfect condition. As you would expect from Omega the watch is fully marked on the dial, movement and case. It is marked with calibre 620 and serial number 19114145 which...
