Description

This is a lovely caster made in London in c1717 by top maker Simon Pantin, it is in very good condition, good hallmarks under the base but the makers mark is overstriking the date letter making it difficult to read, it also has the Lions head erased mark on the lid, it is 11.5cms high and weighs 126 grams. Patin was a top Huguenot maker and has a large write up in Grimwade. A lovely early 18th century caster.
