Description

A stunning, fine and impressive 4.84 carat moonstone and 1.87 carat diamond, platinum ring; part of our diverse collection of moonstone jewellery. This stunning fine and impressive antique gemstone ring has been crafted in platinum. The substantial tapering setting displays a stunning feature 4.84ct oval cabochon cut moonstone. The moonstone is flanked on either side with a protruding tapering fan design, incorporating six stunning channel set baguette cut diamonds. The outer surface of the flared ring setting integrates with the broad tapering bifurcated ring shoulders, all embellished with thirty-eight pavé set transitional modern brilliant round cut diamonds; the shoulders blend seamlessly with the plain ring shank. This moonstone cocktail ring with diamonds has been independently tested using state of the art technology (Niton XL2 Analyzer) and verified as platinum. This impressive ring is supplied with an IDGL diamond and gemstone grading report card. This stunning ring is one of the finest of its type you could hope to acquire. This platinum moonstone and baguette diamond ring pairs soft iridescence with clean architectural lines, making it a refined choice ...
