Description

Super Edwardian walnut revolving bookcase in wonderful antique condition. The two-tier book space is united by four splats and sits on a revolving cruciform base with casters. The sturdy construction and smooth revolving action make it a practical and attractive addition to any space. It offers generous and convenient storage and display for many books, creating a small library in any room. There are many places to use these bookcases and they are not only very practical but also very attractive once they are filled with books. Internal reference : SAI4057

Internal Ref: SAI4057
