Height = 15.7 cm (6.2")

Width = 6.1 cm (2.4")

Depth = 6.1 cm (2.4")

Description

One of the best ladies / gentleman's glove powder flasks I have bought....it has a pleasing shape and I particularly like the attractive turned "acorn" finial...it unscrews at the top and the bottom and it is made of the finest fruitwood, hence the very good colour and patina....condition is very good and it still screws up tightly and unscrews well.....a real collectors piece...! French. C1820-40.

Internal Ref: MS 8413
