Description

A very elegant and high quality Victorian Sterling silver Cream Jug or Milk Jug. It has been made in the style of a Georgian example. It has a lovely deep shine and a beautiful colour. Fully hallmarked Sterling Silver 1896 London. Makers mark of John Henry Rawlings. It is in an excellent condition with no breaks, splits, dents or damage. It has just been professionally polished so it is free from any denting or scratching. The inside is in good order. 81 grams. 11cm height. 10cm width including handle and spout. 5.1cm diameter of Jug at it widest. An eye catching and charming piece of usable Silverware. Please feel free to ask any questions about this item or any of my other items for sale. I offer a full money back guarantee if you are unhappy with your item, if returned within 14 days of receipt.
