Description

Well, this is quite splendid! A solid sterling silver mug, gilded inside, superbly engraved with a playing scene. The mug is hallmarked for London 1854 with the maker's mark of George Angell & Co. It is very slightly waisted in shape and sits flat. The gilding inside is worn on the top rim, probably as a result of over-enthusiastic cleaning. The engraving is crisp, amazing given its age, and features a badminton match, with flora, trees, pagoda, fence etc. Dimensions: Silver Weight: 125g Height: 8.5cm Width: 9.5cm Diameter of base: 7.5cm Complimentary gift wrapping is available on request. Post and packaging are free within the UK. Overseas buyers please e-mail for postage costs and please note: Import duties, taxes, and charges are not included in the item price or shipping cost. These charges are the buyer's responsibility. Please check with your country's customs office to determine what these additional costs will be prior to buying.
