## Description

Lovely large Rosewood barometer which has been profusely inlaid and is a wonderful shaper. The barometer is made from Rosewood which has some wonderful fine inlays all the way down the barometer including swags, flowers and an urn which sets it off beautifully. The barometer dial has been set out with the weather conditions with red lettering used at the start of the words. The thermometer showing both Centigrade and Fahrenheit. It measures approximately 34 1/2 inches / 87.5 cm high x 12 1/4 inches / 31.5 cm wide. CONDITION: The barometer is in working order as is the thermometer. The case is also in nice condition, there are just some marks commensurate with age and use. Please study photographs carefully as they form part of the description and condition, as what you view is exactly what you will receive. REF: bar c70
