Description

Antique Omega pocket watch, 1923. The watch has a stem-winding movement which is working nicely. The movement is fully signed and it has the serial number 6,456,698 which dates it back to 1923. The movement is protected by an inner hinged cover which has a small "ding" and light surface marking. The watch measures 48mm diameter excluding the winding stem and the loop. The case is nickel. The front and sides of the case are in good condition, the hinged case back has some unevenness. The acrylic lens is in good condition. The signed dial has been re-finished at some stage, and is now in good condition. The watch comes in a new presentation box.
